Auto Crane Price List

July 2025 Edition
7/28/2025

Prices: All prices in U.S. dollars. All prices are EX-WORKS - Tulsa, OK.
Prices and specifications are subject to change without notice. All list prices are “not installed” unless noted otherwise.

Installation: Factory installed prices are based upon Auto Crane “standard” placement of certain options. Special configurations may be available at additional costs.

Cancellation: Orders cancelled within 60 days prior to the scheduled ship date will be subject to a 25 percent restocking charge. Cancellation of orders for other than standard units will be subject to cancellation charges if received less than 90 days prior to scheduled ship date. There will be a 100 percent cancellation charge for any items such as paint or other non-standard products which have been ordered or produced by Auto Crane to satisfy a customer order.

There is a separate price list available for parts only.

Rugged Remote

- Field-proven ruggedness and lighter weight
 - Even lighter by as much as 70% of the weight of competitor pistol grip remotes
- Better ergonomics for one-hand operation alleviating fatigue
- Rechargeable Li-ion battery
 - 12 hours of use
- Larger color LCD with simplified interface
 - A bar graph quickly tells you how much capacity remains before an overload occurs
 - The message area tells you the status of the crane in plain text
 - Intuitive symbols make the the values stand out
- Lower cost repair and faster service
- Docking station quickly charges the remote and doubles as a missing remote indicator
 - Operators are reminded when they've left the remote at the job site or on the back of the truck

Field Tested

- Field testing has proven the new remote is far more rugged

Automated Deploy and Stow

AutoDeploy™

- AutoDeploy brings the crane out of the rest and rotates the boom around to the right side of the truck and then releases the hook with traveling block.

AutoStow™

- Retract the crane and set the traveling block hook on the attachment, then run AutoStow to park the crane.

Remote Troubleshooting (Optional Bluetooth modem required)

- Part number for Bluetooth modem is 366823468 (List price \$528)
- Diagnose problems before arriving with mobile service
- Change settings and tuning parameters
- Update software remotely without special tool or trip

Fleet Management (Optional capability)

- Improved data logging is focused on the metrics that fleet managers want to see:
 - Crane utilization
 - Incident recording ("black box" type recording of several incidents)

Warranty

Service Cranes (Limited Warranty, 2 Year Parts and Labor)

Auto Crane will warranty to the consumer for a period of (2) years parts and labor from the date of purchase. Each new Auto Crane unit they sell will be free under normal use and service from defects in material and workmanship. Date of purchase will be honored as the date indicated on the Bill of Sale, which must accompany the Warranty Registration and be on file with Auto Crane. Absent a valid Warranty Registration and appropriate documentation, the original date of manufacture, as indicated by the serial number on the product, will be used to determine the effective date of the 2 year warranty.

The obligation of Auto Crane under this warranty is limited to the replacement or repair of parts that appear to the manufacturer after review and/or inspection to be defective and paid flat rate labor for replacing defective parts. This warranty does not obligate Auto Crane to bear the travel time charges in connection with the replacement or repair of defective parts. Responsibility for customer's claims arising from misapplication, abuse, misuse or alteration of equipment or parts lies with the distributor or user and no warranty obligation is assumed in these circumstances by Auto Crane.

Auto Crane will in no event be liable for any consequential damages or contingent liabilities arising out of the failure of any Auto Crane Product or parts to operate properly.

Auto Crane makes no warranty in respect to component accessories, it being subject to the warranties of their respective manufacturers.

If field service, at the request of the distributor, is rendered and fault is found not to be with Auto Crane's product, the distributor shall pay the time and expense of the field representative.

Claims for service labor or other expenses that have incurred by the buyer without approval or authorization or Auto Crane will not be accepted.

Crane Bodies (5 Year Limited Body Warranty)

Covered Products:

- Auto Crane Service Bodies -- no rust-thru guarantee to the first owner/user or record for five (5) years from the date of purchase.
- Door Hinges -- Guarantee the hinges will not fail to operate or come off the product, to the first owner/user of record for five (5) years from the date of purchase.

Eligibility:

- Product(s) warranted must be properly maintained and serviced under the guidelines recommended in the Owner's Manual.
- The selling distributor must file for the first owner/user the application for warranty by completing the delivery report form enclosed in the Owner Manual within 30 days of the product purchase date. The complete delivery report form must be forwarded to Auto Crane Company. The warranty agreement issued is not transferable.
- Product(s) that have been misused or damaged, inclusive of, but not limited to, accidents.

Warranty

Exclusions:

- Warranty applies to the Auto Crane bodies only and excludes all options, modifications and alterations.
- Paint required following repairs or replacement of parts under warranty after the first year from the date of delivery.
- Product(s) that have been misused or damaged, inclusive of, but not limited to, accidents.
- Absent a completed and valid delivery report form, the original date of manufacture will be used as the effective date for the limited warranty.

Specific Non-Rust-Thru Warranty Exclusions:

- Product(s) that have been used to carry corrosive materials, where such materials result in rust-thru conditions.
- Product(s) purchased by the first owner/user in prime paint condition.
- Consequential damages including, but not limited to, transportation costs, lost profit and loss of income, as a result of a vehicle being out of service.
- Product(s) purchased and used outside the U.S.A. or Canada.

Applying for Warranty

- Claims may be handled by contacting your nearest authorized Auto Crane Distributor. All claims are to be filed in writing on an Auto Crane Warranty Claim Form.
- The Auto Crane Company reserves the sole right to inspect item(s) claimed for warranty and decide the best way to handle any and all claims, including the replacement or repair of the warranted part.
- Should the warranted product rust thru, the hinges fail to operate or come off the product, Auto Crane will pay the cost of parts and flat rate labor to repair or replace as necessary the defective component. NOTE: Paint following repair or replacement of a part is exclusive under warranty after the first year from date of delivery.
- DEFECTS FROM MANUFACTURING WORKMANSHIP AND/OR MATERIAL NOT SPECIFIED ABOVE WILL BE SUBJECT TO WARRANTY INCLUSIVE OF MATERIALS AND LABOR TO THE FIRST OWNER/USER OF RECORD FOR TWO (2) YEARS FROM THE DATE OF DELIVERY. Exclusions, as well as methods of applying for warranty remain the same as stated in the limited five (5) year warranty covered above.

AUTO CRANE COMPANY IS UNDER NO OBLIGATION TO EXTEND THIS WARRANTY TO ANY CUSTOMER FOR WHICH AN AUTO CRANE DELIVERY REPORT FORM HAS NOT BEEN COMPLETED AND ON FILE WITH AUTO CRANE COMPANY

Titan Armor Warranty

TITAN ARMOR PAINT WARRANTY PERTINENT INFORMATION

Auto Crane has introduced a new surface coating package with Industry leading corrosion protection called Titan Armor. The technology used in this adaption to trucks has been proven in the marine and industrial applications for decades. Titan Armor differs from the standard Auto Crane paint product in a few areas;

- Standard paint warranty for surface rust is 2 years from date of service. Titan Armor's is a 5 year surface rust and 15 year rust through warranty, by far the best in the industry.
- Paint materials are different.
- Titan Armor is a marine based industrial product rather than an automotive product, thus the gloss and surface texture may be a little less than normal and will not be automotive finish smoothness/aesthetic.

This warranty starts with the date of purchase as indicated on the Bill of Sale to the original purchaser, which must accompany a Warranty Registration submitted online at www.autocrane.com within 30 days of sale. Absent a copy of the bill of sale to the original owner, the manufacture date (as specified by the product SN) will be used for the warranty start date. This warranty is granted to the original purchaser only and is not transferrable. This warranty covers repair of defective paint areas only.

The dealer must contact Auto Crane for materials and repair instructions that will preserve the integrity of the paint system. Failure to use these materials and procedures for Titan Armor paint repairs will void the Titan Armor warranty. All repair quotes must be itemized to include parts/materials, labor hours and rate, and any freight charges. Any repairs should be completed with Auto Crane part numbers supplied for paint touch up, repair, or any warranty measures. All warranty repairs are at the discretion of Auto Crane and must be pre-approved/authorized before work is completed.

Limitations:

- Auto Crane will in no event be liable for any consequential damages or contingent liabilities arising out of the warranty of Titan Armor
- Failure by the owner to perform proper maintenance in accordance with the product manual may void this warranty
- Documentation may be required showing preventative maintenance activities

Titan Armor Warranty

Exclusions:

- Sale from original owner to secondary owner
- Normal wear and tear or external damage to the paint (dents, chips, accidents, corrosive chemical attack to the paint, improper repair or storage, improper maintenance or lack of cleaning)
- Improper sanding or paint prep upon refurbishment of original paint applied to originally sold body
- Problems caused by customer or dealer applied components or decals or from storage
- Use of the product outside the United States and Canada
- Travel time or cost (including pickup/delivery), diagnostic time, loss of use, overtime charges, expedite or miscellaneous fees, third-party or customer repairs, etc.
- Responsibility for customer's claims arising from misapplication, abuse, misuse, or alteration of equipment or parts lies with the dealer or user and no warranty obligation is assumed in these circumstances by Auto Crane
- Replacement of dealer or customer supplied items and decals (which are the responsibility of the customer or dealer)

Warranty decisions by Auto Crane are final and Auto Crane reserves the right to coordinate and complete the repair directly with the customer. This warranty specifies the full and complete obligation by Auto Crane and may not be modified or amended by any person or entity. All claims are to be filed in writing on an Auto Crane Warranty Request form with supporting documentation as necessary.

Define: **Surface rust** – rust as a result of paint degradation NOT due to impact peeling paint, scratch or damaged to bare metal surface, etc. OR Auto Crane warrants that the Titan Armor will not fail due to blistering, adhesion or surface rust for five (5) years

"Rust Through" is defined as a hole rusted through the body metal.

The logo for Titan Armor, featuring the word "TITAN" in a large, bold, italicized sans-serif font, followed by the word "ARMOR" in a smaller, bold, sans-serif font. The letters have a metallic, three-dimensional appearance with shading.
