

NexStar[™] 4

Crane Control System

Experience uninterrupted operation with easy handling and a clear display.

- **Extended Battery Life:** Rechargeable Li-ion battery.
- **Comfortable Control:** Ergonomic, one-handed operation.
- **Remote Support:** Quick diagnostics via Bluetooth-enabled phone.

PRACTICAL BENEFITS

- **Always Ready:** Keep your remote charged and secure in the docking station. The Remote Reminder (sold separately) ensures it's never left behind.
- **Comprehensive Warranty:** Enjoy a best-in-class 2-year warranty, covering everything including electronics.
- **Easy Troubleshooting:** Built-in diagnostics tool works with Android or iOS systems only.
- **Proven Durability:** Rugged remote control built to withstand tough conditions.
- **Simple Operation:** AutoDeploy and AutoStow commands for easy crane deployment and stowing. Speed ranges are adjustable on the fly for better control when site conditions vary.
- **Proportional Controls:** Joysticks and trigger offer multiple functions at various speeds:
 - **Joysticks:** 4 functions at 4 speeds.
 - **Trigger:** 4 functions at 1 speed.
 - **Speed Ranges:** 25%, 50%, 75%, 100%

NexStar4 is available on all Auto Crane Electric-Hydraulic Series and Hydraulic Series cranes.*

PROVEN EXCELLENCE

- **65 Years of Reliability:** The original field service crane, trusted for over six decades.

Large font and symbols make the color LCD easy to read at a glance, even with polarized sunglasses.

Diagnostic information is now displayed on the remote.

Proportional Joysticks
- 4 functions at 4 speeds

Proportional Trigger
- 4 functions at 1 trigger speed

4 Speed Ranges
- 25%, 50%, 75%, 100%

AutoDeploy and AutoStow commands make it simple and easy to deploy and stow the crane with the squeeze of a trigger.

Smooth Trigger

The speed ranges are set through the remote menu by the operator, and can be immediately changed for better control under varying site conditions.

Docking Station

Reserve Battery Pack

Boom Mounted Status Light

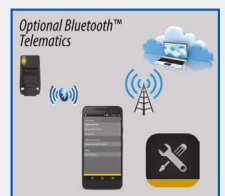

Comfortable pistol grip and trigger makes thumb-tip control a breeze for all functions.

Auto Crane provides a 2-year comprehensive warranty (including electronics) from the in-service date.

IoT capability uses a cellular connection for real-time, fact-based decisions.

Optional BluetoothTM Telematics

*AutoStow and AutoDeploy not available on EHC-3² or EHC-4.
